

Personal, Social and Emotional Development:

We are learning about turn taking. Please could you talk to your child about what this means? Do they have any prior knowledge of what turn taking means?

You could:

- Read a book about turn taking.
- Play a board game, card game or do a puzzle together.
- Play hide and seek taking turns to be the seeker.

Understanding the World & Creative Development:

Spring:

Please could you talk to your child about the different seasons and how it is currently Spring. You could talk about what happens and changes during Spring?

Try these challenges:

- 1) Can you spot different signs of spring? What can you see, hear and smell outside?
- 2) Have a go at an observational drawing. Can you draw some of the spring flowers in your garden?

Nursery

Week commencing
Monday 30th March 2020

Literacy Challenges (Mark Making):

1) Following on from last week's literacy daily challenges. Can you draw your favourite character from the different stories? Can you explain to a grown up or someone else in your house why that character is your favourite?

2) Focus on one type of mark making 'zig zags'- This week focus on creating zig zags. How could you do this? Could you use crayons/pencils to create zig zags in as many different colours as you can? Where have you seen zig zags before? On clothes? Outside? Can you find any zig zag patterns in your house?

Phonics Challenges:

1) Play this online listening game. What sounds can you hear? What could be making that sounds?

<https://new.phonicsplay.co.uk/resources/p/hase/1/sound-starters>

2) Using an empty plastic bottle, can you make a sound shaker? What objects could you put inside? Can you use your sound shaker to make a loud, medium and quiet sound?

Physical Development- Gross Motor (PE)

1) Have a go at building your own obstacle course at home either inside or out in the garden. You could use pillows, chairs, blankets. You could also put tape on the floor or chalk outside to make different shapes. Can you hop into the triangle? Can you balance on one foot inside the square?

Please also see the daily Physical Development Challenge

Mathematical Challenges:

1) Practice writing your numbers. Can you write them in the air using your finger? Now try writing them on paper. How many did you write?

Try this 'Shape' challenge:

1) Have a go at drawing around different shaped objects in our house. Can you create a shape picture?
