

Personal, Social and Emotional Development:

We are learning about kindness. Please could you talk to your child about what this means? Do they have any prior knowledge of what kindness means?

Watch and listen to this story read aloud:

<https://www.youtube.com/watch?v=cfiPrA8E3qE>

What acts of kindness did you hear in the story?

Can you think of a time you did an act of kindness?

Can you think of an act of kindness you could do this week?

Literacy Challenges (Mark Making):

1) Design a bookmark. You could include your favourite book characters or have a go at writing your name to decorate your bookmark.

2) Focus on one type of mark making 'over the bridge - mmm' - This week focus on making an over the bridge pattern. How could you do this? Can you use your finger and draw the pattern in the air? Now, can you draw this pattern using two different resources, for example pen, crayon or paint?

Understanding the World & Creative Development:

Have a go at drawing a self-portrait.

What colours will you need for your eyes and hair?

You could use different materials for your portrait including paint, pencils, wax crayons or collage.

We would love to see your finished self-portraits via email.

Nursery

Week commencing
Monday 4th May 2020

Phonics Challenges:

1) Have a go at playing this rhyming game online.

<https://www.phonicsplay.co.uk/member-only/CakeBake.html>

Username: march20

Password: home

Did you manage to match all of the rhyming words?

2) Play I spy with the people in your house. Can you spy something that starts with S A or T?

Please also see the daily phonics challenges

Physical Development- Gross Motor (PE)

1) Can you copy these different actions?

2) Using the sequencing frame, make your own action sequence to follow. You can make different sequences for the people in your house to follow.

Please see the additional link on the website for the action cards and sequence frame.

Mathematical Challenges:

1) Have a go at estimating this week. Estimating is having a good guess at how many objects there are. Can you estimate how many soft toys you have?

Try this 'Shape' challenge:

2) Have a go at this shape game online. Can you feed the monsters the correct shapes?

<https://www.topmarks.co.uk/early-years/shape-monsters>
