

EYFS Home Learning Planner - Nursery Bumblebee Class - Miss Pratt

Dates: Monday 11th January & Tuesday 12th January

Literacy Challenge:

Phonics activity:

Last week we started learning about body percussion and had a go at copy different body percussion patterns.

Today, can you have a go at designing your own body percussion patterns using the composition frames and pictures attached. Once you have designed your patterns can you have a go at copying them.

Challenge: You could ask your grown ups to design a pattern for you to have a try at copying or could they copy a pattern you have designed?

Mathematical Challenge:

We will focus on 'numbers within 6'.

There is a video resource below from Oak Academy National which is a useful resource to guide your child through this learning session. It is just under 20 minutes, if your child struggles with their concentration please view this is bite sized sessions. The link can be found below:

[To count six objects reliably \(thenational.academy\)](https://www.thenational.academy)

(Early Years Foundation Stage, Maths, Numbers within 6 - Lesson 4: To count 6 objects reliably)

Wider Curricular Challenge:

This term our focus in Nursery is Traditional fairy tales, dragons and magic.

Can you design your own fairy tale castle?

You could:

- draw or paint your castle
- use building blocks or construction resources
- Use junk modelling resources
- Build your own castle (den) in your house

I would love to see your designs, don't forget to take a photo and email to nursery@obhomework.co.uk
