

**EYFS Home Learning Planner - Nursery Bumblebee Class - Miss Pratt**

**Dates:** Monday 25<sup>th</sup> and Tuesday 26<sup>th</sup> January

**Literacy Challenge:**

*Learning intention: to continue to develop awareness of sounds and rhythms*

Phonics: Body Percussion

Video Link: Miss Pratt teaching different body percussion patterns. -

<https://youtu.be/sgiYAjrjYE>

Can you have a go at copying my patterns? Which body percussion sound did you like best? Can you make your own body percussion patterns, or think of different sounds you can make?

Extension: Last half term in phonics we were learning about different instrumental sounds. Do you think you could make your own instrument at home. Perhaps you could make a shaker using a bottle and filling it with different items such as beads or rice. You could use saucepans and spoons to make your own drums or use elastic bands and an empty box to create your own guitar. Don't forget to send in some photos of you playing your new instruments.

**Mathematical Challenge:**

*Learning intention: to be able to recognise and count numbers within 8*

Oak National Academy

Recognising and counting numbers within 8

Video link: [Recognising and counting numbers within 8 \(thenational.academy\)](#)

Can you practice counting to 8? Can you find 8 cars, blocks or teddies in your house? Can you find 8 different pieces of fruit or vegetables?

Extension Activity:

Watch this episode of Numberblocks [BBC iPlayer - Numberblocks - Series 2: Eight](#)

See attached worksheet: Can you find Octoblock hiding in each row of blocks?

**Wider Curricular Challenge:**

*Learning intention: Use available resources to create props to support play.*

This week at Nursery we are learning about all about magic!

See attached wand making sheet and example photo of Miss Pratt's wand.

Can you have a go at making your own magic wand? What magic word will you use to make your wand work?

Once you've made your wand, ask your grown up to send a picture of it to Nursery so we can put it in your special learning book.
