

EYFS Home Learning Planner - Nursery Bumblebee Class - Miss Pratt

Dates: Wednesday 24th and Thursday 25th February 2021

Literacy Challenge:

Learning intention: Beginning to describe main story setting, events and principle characters.

Talk for Writing:

This half term our Talk for Writing story is going to be 'The Enormous Turnip'.

Ask your child to tell you what happens in this story, write or type down exactly what they say on the Cold Tell sheet.

Do not worry if your child does not know the story and you do not have anything to write down. The purpose of the Cold Tell is to find out the children's prior knowledge to help shape future planning.

Mathematical Challenge:

Learning intention: Matches numeral and quantity correctly.

In Nursery, one of the resources we use to help us to represent numbers is Numicon. Each Numicon shape represents a different number and is a different colour to help children to recognise them.

Have a go at this find, match and colour Numicon challenge.

Wider Curricular Challenge:

Learning intention: Can observe plants and use their observations to begin drawing lines and shapes to represent objects.

Look at the attached PowerPoint all about parts of a plant.

Now have a go at the sticking activity and put the parts of the plant in the correct places.

End of the day story
