Did you hear that lots of the words sounded the same, when words sound the same its called Rhyming.

Can you spot all the rhyming words in the story?

Mathematical Challenge:

Learning intention: Matches numeral and quantity correctly.

Have a go at this one to five sorting activity. Can you match the correct objects to the right number?

Wider Curricular Challenge:

Learning intention: Noticing objects in their environment, can talk about some of the things they have observed.

Can you go on a spring flower hunt with your grown ups? You could look in your garden or go for a walk near your house. What flowers can you spot?

During Spring lots of daffodils and snowdrops begin to grow and flower, did you see any of these on your hunt?

You could ask your grown up if you can take some photos of the flowers you find and send them to Nursery.

End of the day story

Listen to Miss Pratt read 'Dora's Chicks' - <https://youtu.be/U5UF8DLHYh8>
